

PRODUCT TECHNICAL DATA SHEET

SW841 Stainless Steel Polish & Cleaner

DESCRIPTION: No. 841 Stainless Steel Cleaner cleans, polishes and protects stainless steel without hard rubbing or polishing. This product resists fingerprints, grease and water spatter while helping to preserve the factory finish. In addition, it removes old or heavy accumulations of greasy film, food spatter or oil stains. It contains no acid or abrasive substance and it will not leave a powdery residue. Use sparingly - a little goes a long way!

USES: The spray is designed for use on all types of stainless steel including window frames, trims, doors, corridor guards, kick plates, autoclaves, dishwashers, refrigerators, freezers, sterilizers and a variety of other fixtures and equipment that housekeeping personnel must maintain.
